

SERVICE CREW MEAL & JACKET PACKAGE FORM

Targa Newfoundland has worked hard with local communities and groups to provide excellent meals and services at lunches and at locations where such services are not normally available. For this reason, we encourage entrants to plan for their services crews and / or visiting family members if they plan on being at various lunch stops.

The meal part of this package is identical to the one included in the Drivers/Co-Drivers entry package. Space and amount of food offered at these meal venues is often very limited. Only a limited number of additional meal tickets and jackets will be available at registration so book now. Walk-in meals, while available at some locations, are not available in all.
